**BENEFICE MAGAZINE – November 2016**  
**Edition for the parishes of Herriard with Winslade, Tunworth,**  
**Upton Grey and Weston Patrick**

Over the last few weeks Brexit has hit the headlines with a renewed force. What will Brexit look like? Will it be a full disentanglement from the European Union and the Single Market? Will Brexit be ‘hard’ or ‘soft’. Will we be better off worse off? Will the Union hold?

At what feels like a significant period in the history of our nation there are many questions about the future of our nation which are yet to be answered.

Some of the questions are about the practicalities of how things will work and others are more philosophical in nature, concerned with the values and ethics that will undergird this next phase of our national life.

As a Christian minister and (very amateur) theologian the questions which most interest me are the ones about the nature and defining features of the society we aspire to create live in. Questions such as:

- What does it mean to live well together?
- What does a just society look like?
- What care should the weak and vulnerable receive?
- What sort of role should we play on the world stage?

And many more...

They are ethical questions. Questions about which values will shape and govern the way in which our society lives. Questions about what we think living well in the 21<sup>st</sup> Century looks like and what we think the nature of community is on a local, national and international level. The answers that we formulate to these sorts of questions will have a significant impact on what our post-Brexit society looks like in 5, 10 and 50 years time.

At all levels of society, local and national, we have at this time of significant change an opportunity to engage in serious and thoughtful listening and reflection as we determine and (re)shape the values that will help to define this next chapter in our national life.

My prayer is that we might be bold and courageous in setting out a vision of society. A vision of society in which service of others is more important than protection of ‘my rights’, a society in which the

weak and strong, rich and poor, feel a sense of shared and equal ownership, and in which pursuit of the common good trumps self-centred living. A society in which generous and sacrificial love for the other plays a key role.

The church seeks to be a microcosm of this sort of community. It doesn't always succeed in this, at times we struggle to work out what this looks like on a day-to-day level, but held in the grace of God we keep trying to live out the same generous and sacrificial love that Jesus Christ modeled, allowing this to shape our vision for a good society and flourishing community.

### Advent

Advent, the four weeks before Christmas. It is a time of preparation, waiting and hope.

The customs of Advent, the Advent wreath is probably the most important. Lighting the advent candle each day with a prayer can prepare your household for Christmas.

Some Christians attend special church services on the first Sunday in Advent. Some churches also hold a Christingle service for children and families. During a Christingle service, each child is presented with or carries a Christingle. Parishioners collect money for children's charities.

A prayer:

O God

As light comes from this candle,

May the blessing of Jesus Christ come to us,

Warming our hearts and

Brightening our way.

May Christ our Saviour bring life

Into the darkness of the world,

And to us, as we wait for his coming.

 We will be collecting in **Shoeboxes for Samaritan's Purse** that go to families in need at the **Family Service on 6<sup>th</sup> November at St Mary's Upton Grey.**

 As we prepare for the excitement of Christmas, this is a practical way of remembering that Christmas is not just about us but about children and families in need, as well of course as many others, and we would love you to participate if you can.

 **Junior choir:** Our JC choir practice will be **9.15am on 6 November** with the choir leading worship that day and on the **13<sup>th</sup> November.**

 Our next **Messy Church** on **Friday 25<sup>th</sup> November in Upton Grey village hall.** We have many fun activities planned - as usual we meet after school for games, followed by crafts, songs, celebration and tea. Everyone arrives at about 3.30pm and our session ends at 5.30pm – parents and those in loco parentis are encouraged to stay. It is fun and all are welcome. If you would like to attend, please can you **RSVP** to Julia Harker on her email: **julia\_harker@btinternet.com**

### **Christingles**

Our two Christingle services this year are both at **4pm** at:

**St Mary's church Herriard on 4<sup>th</sup> December**

**St Mary's church Upton Grey on 11<sup>th</sup> December**

This year we are planning to hold the Christingle making just before the services, so that the children can make them together (with the help of parents or carers if needed) and then carry them into church. We hope that this will be a fun activity for the children before they go into the service. Please note - oranges etc will be provided

In Herriard on **4<sup>th</sup> December**, Christingle-making will take place at John and Sara Jervoise's house, Herriard Park, at **3pm.**

In Upton Grey on **11<sup>th</sup> December**, Christingle-making will be held in the village hall and will run from **2.30 to 3.45pm.** Tea and mince pies will be available for parents.

This year we will not be distributing Smartie tubes, instead collecting candles will be handed out during November and these too may be brought to church and handed in. All monies raised will go to the

Children's Society to help with their much needed work for disadvantaged children in the UK.

If you are unable to come to the Christingle-making part, we will have some ready-made oranges in church.

 And giving you advance notice of the Christmas services for children – we have the **Blessing of the Crib service at St Mary's Upton Grey at 4pm on Christmas Eve** and on **Christmas day the service is at St Mary's Herriard and St Mary's Upton Grey (both 10am)** and the **Family Carol Service at All Saints Tunworth (11am)**, all of which are very family and children-focussed.

## NEWS FROM THE VILLAGES

### Local Police Report from Andy Reid.

Dear Residents, Sadly we have experienced an increase in reported crime in the area of late and I am appealing for any information that you may be able to provide. Overnight of September 30<sup>th</sup> 2016 a black pick-up truck was stolen from outside Upton Grey church between midnight and 8.30 am when it was found in Upper Froyle. Between end of September and early October an Ifor Williams trailer was stolen from Hoddington House, a registration of HF13 LLC was displayed on the back of it when stolen. If you can help please give me a call direct, as always all calls treated in strictest confidence. We also had two assaults reported in the area which have been dealt with.

Slightly outside our area I am also appealing for any information concerning a burglary to a house in Winslade off the lane that goes from Cliddesden to the A339. This happened overnight of September 30<sup>th</sup> and October 1<sup>st</sup>, thankfully entry was not gained to the house but items have been stolen. If anyone happened to be in that area in the days before and may have seen anything suspicious please give me a call direct.

This type of crime is rare in our area but I again ask residents to please make sure their homes are secure; lights on timers are used, especially now the evenings are dark so early.

I am pleased to report no other reported crime within the parishes covered by this magazine during this period. I would however like to make residents aware of the problems that we can experience over Halloween and with this 'Scary Clown' craze where pranksters dress as "creepy clowns" to deliberately scare people. The trend, which originated in America, may seem harmless to some, but has a major impact on some members of the community. Several incidents internationally have also taken a more sinister tone with knives, chainsaws and axes being brandished. With Halloween just around the corner this craze is unlikely to disappear before then. We will proactively deal with any offences relating to people dressed as clowns deliberately seeking to cause harassment, alarm or distress to members of our communities or committing any criminal offences.

I ask if children are going around houses that they are accompanied by an adult and for those that are not, that they do not call on elderly residents some of whom have no wish to be disturbed in the evenings. Many thanks as always.

### **Herriard and Lasham with Bentworth WI:**

Our next meeting is on Thursday 3<sup>rd</sup> November at the R.B.L. Hall at 2.30pm "There are always cats hairs on my Quilts" by Mrs. Lee. Come and join us for tea and biscuits.

Our speaker for October was Sandra Simmons with her talk titled "A Day in Iran as a Housewife". She married an Iranian whom she met at Portsmouth when both being in the Navy. She married in an English Ceremony, but had to marry again in an Iranian ceremony. It was an eye opener to our members as she was completely his property – never allowed out on her own, nor even to look out of the window or go out on the balcony. When out with her husband she had to wear a burka, completely covered and had to walk seven paces behind him. If she failed to prepare the food correctly her father-in-law decreed that she should be locked in her room for two days. At get-togethers male and females were separated, even on buses, one for men and one for women. A very secluded and submissive life! Sandra is going back to Iran for a holiday as she understands that a woman's life is getting easier. We await a further talk. Report of our October meeting by **Gemma Hounsell**.

### **Herriard Christmas Fair – Saturday 17<sup>th</sup> December**

The Christmas Fair will be held at Herriard RBL Village Hall on 17<sup>th</sup> December from 12.30 – 4.30pm. Entry will cost £1.00 which includes a cup of tea or coffee. The bar will be open for those who fancy a festive tippie! Cakes & snacks will also be available. There is still room for a couple more stalls if anyone would like to book, it's only £5.00 which includes lunch. We are looking for a jolly Santa, if you fit the bill please give me a call. The tombola this year will be for St Mary's Church in Herriard, if you have any bottles or gifts please let me know and I will arrange collection. Alternatively, please drop them into me at 1 Nashes Green or Gemma at Bagmore Lane. Why not pop the date in your diary and come and buy some lovely, locally sourced and crafted produce and Christmas gifts. Look forward to seeing you. You can contact me on 01256 381965 or [diane.tim1@uwclub.net](mailto:diane.tim1@uwclub.net). Many thanks, Di.

**Herriard Harvest Supper October 12<sup>th</sup>:** Pumpkins, Pigs and nearly £2,000 for St Mary's Church! The traditional Herriard Harvest Supper was a sell-out and literally a smash hit! Herriard's answer to Ant and Dec (or was it the Chuckle Brothers!), Pete and Adrian, gallantly took on the Auction like two seasoned game show hosts! The auction lots included a greenhouse, a painting by village artist Chris Davies and a huge amounts of local manure! (although the latter was promised, rather than present!). However, the highlights must have been the auctioning of very traditional village harvest fare such as local pumpkins and village apples. The pumpkins were carried precariously high by Pete, Adrian and Harry. Harry's appearance whilst brief was action packed with entertainment, as bidders and auctioneers slowly and deliberately bid-up the largest monster pumpkin Harry held aloft. Eventually £40 was reached – but then, and never seen before, there was a pumpkin pirouette! The unfortunate monster pumpkin was being carried out aloft by a probably exhausted Harry; who forgot to duck the combined height of Harry and the monster pumpkin. Door frame and pumpkin briefly battled; but the door frame won, and the pumpkin pirouetted in a final swansong before falling fatally to the floor, like a large opera diva smashed in two. One half of the ravaged pumpkin was then paraded and sold! From disaster, the entrepreneurial spirit shone through! Then later, in another innovative moment trying to sell some Chalkdell Bramley apples, Adrian donned a pig mask to demonstrate how well pureed

apples go with pork to the great delight of the villagers - which brought back those fond legendary memories of our previous Prime Minister's alleged interaction with those animals whilst at University! Wow what an evening!

The traditional Harvest Supper was prepared by the Herriard Ladies and comprised a delicious supper, dessert, cheese

(including Tunworth!) and coffee. The evening was opened by our new vicar, Simon Butler who introduced himself to those villagers who had not met him yet. There were many helpers who helped sell the tickets, prepare the room, serve the food, clear up and support the auctioneers. So a huge thankyou to everyone involved for a fantastic and fun Harvest Supper! The overall results were extremely good with the auction raising £998 and the tickets £930 - giving a

grand total of £1928 raised for St Mary's Church, Herriard. Thanks again to everyone who contributed in whatever way, to those who brought and bought the auction items - and to everyone who attended.

### **TAG Farnborough Airspace – letter to Ranil Jayawardena**

Dear Ranil, thank you for giving us the opportunity to meet with you on Friday last to talk about TAG's proposals for an increase in controlled airspace from Reading to the South Downs.

Herriard Parish council and its residents continue to have concerns about this proposal on a number of grounds, namely

1. Aviation experts and bodies who have commented on TAG's proposals have failed to find a real need and justification for the Aerospace Change Application as currently submitted
2. Safety, noise and environmental pollution issues, as there will be an increase of aircraft movements and the probability of more flights at lower levels.
3. We continue to be concerned for the future viability of Lasham Gliding Club and the economic and social fall out of the closure of such a valuable facility. One can only imagine what could happen as a future development at Lasham if this were allowed to happen.

It seem to us that it would be most imprudent at this time to make such drastic changes to the Farnborough airspace when the Government is about to make announcements about the future of Heathrow and Gatwick. Furthermore , the suggestion made by Julian Richardson at the meeting that an area of controlled airspace up to say 5 nautical miles around the airport be granted by the CAA to TAG would satisfy most of the concerns of those residents living in the Church Crookham, Fleet and Rushmoor areas without affecting the interests of people living further afield. This would appear to be an eminently sensible, practical and workable solution which would allay the fears of many of those against the TAG proposals. As Julian so eloquently said at the meeting

" solving a local noise problem at weekends near Farnborough does not require controlled airspace from Reading To the South Downs. "

The solution from Julian would appear to be staring us in the face.

Perhaps when you have received letters from those of us who attended the meeting you will have a chance to discuss the contents with Damian before taking up the issue with TAG.

**Mike Branigan, Chairman, Herriard Parish Council**

### **North Hampshire Downs Mothers' Union**

#### **16 Days of Activism**

25<sup>th</sup> November is the International Day for the Elimination of Violence against Women and the start of 16 days of activism against gender-based violence, which ends on 10<sup>th</sup> December, Human Rights Day. During these 16 days, we want to raise awareness of this issue, and spread the message that violence against women and girls shouldn't be tolerated. Mothers' Union is calling on communities around the world to understand the many different forms of abuse that gender-based violence takes, from controlling behaviour by a partner to rape as a weapon of war.

In the UK specifically, we are calling on the Government to redress the injustice in the new child maintenance system, for victims of domestic abuse. We ask that victims be exempt from the 'collect and pay' charges for using the statutory Child Maintenance Service, as they may have no other option to receive or make payments for their children without further risk of abuse or violence. Using a family-based arrangement or Direct Pay could result in ongoing contact with the abuser, placing survivors at further risk.

In Winchester Diocese, members will be meeting at Winchester Cathedral on 25<sup>th</sup> November for a prayer vigil from 12pm to 2pm.

Anyone is welcome to join us in Winchester and show your support for our campaign. Next year we hope to hold a prayer vigil closer to home.

In our own area we are planning a cake stall on Sunday 20<sup>th</sup> November in All Saints church in Odiham between the 9:45 and 11:15 services to raise money for the Angel Tree Project. This project allows prisoners in Winchester prison to send Christmas presents to their children. As well as giving the children some joy at Christmas, it is a really valuable way to enable the prisoners to keep in touch with their families. Prisoners are much less likely to reoffend after they have finished their sentence if they have support from their families. So we would be really grateful if you can support this very worthwhile cause.

Our branch meeting is on Thursday 17<sup>th</sup> November at 8pm at the RAF Church Hall. We are planning to watch a DVD of the splendid performance by the Saltmine theatre group from the General Meeting in September. If you want more information about our branch or our projects please contact Sue Murphy on 01252 845011.

### **North Hampshire Downs Mothers' Union - Knit'n'natter group**

Earlier this year, the North Hampshire Downs Mothers' Union decided to expand their annual knitting project and form a Knit'n'natter group in Odiham. We knit for charity - not for ourselves or for profit. Since our first meeting in February, we have given almost 150 baby jumpers and over 100 baby beanies to Help Hoima. Our current project is to provide local care and nursing homes with twiddle muffs for residents with dementia and so far we have supplied 30 to Rowan Lodge and are about to take another 20 or so to Crossways at Up Nateley. We do not charge people attending the knitting group and we try to supply all the yarn they need. To that end, the people of Odiham have been most generous in donating their unwanted yarn stashes. However, we are aware that we need to raise some money in order to start buying yarn to replace our diminishing stock and we have been invited to man a stall at the Rowan Lodge Christmas Fayre where we intend to sell our foot cosies and other craft items. So.....

### **Christmas Fayre at Rowan Lodge, Saturday 19<sup>th</sup> November**

North Hampshire Downs Mothers' Union and the All Saints Church Knit'n'natterers will be manning a stall at the **Christmas Fayre at Rowan Lodge, Newnham on Saturday 19<sup>th</sup> November from 2.00 pm to 5.00 pm**. We will have lots of hand-made craft items which will be

ideal for Christmas stocking presents. All proceeds will go towards purchasing new materials to allow us to carry on with our work making items for charity. So, please come along and support us.

### **Music For Remembrance – Jubilee Choir**

Please come and join us for our next concert in the newly reordered All Saints' Church Odiham at 6.30pm on Sunday 13<sup>th</sup> November. The programme will last an hour or so and include Schubert's Mass in G and music by Parry, Faure, Elgar and Rutter. Malcolm Archer (former organist at St Paul's) will be playing the organ. Tickets are £10 and available from Katherine Jane in Odiham, Merril Evans on 01256 702249 or on the door.

### **Basingstoke Choral Society**

### **Local choir invited to sing in Carnegie Hall, New York!!**

In March this year Hook Choral Society received a surprise invitation from an organisation called DCINY (Distinguished Concerts International New York) to sing in Carnegie Hall, New York City where composer Howard Goodall holds a residency this Autumn. Hook Choral Society were one of the first (possibly the first) amateur choirs to perform *Eternal Light* in Britain and a number of choir members have also performed the piece in London, with Goodall himself conducting.
