**BENEFICE MAGAZINE – September 2016**  
**Edition for the parishes of Herriard with Winslade, Tunworth,**  
**Upton Grey and Weston Patrick**

**An Introduction**

It's a pleasure to be able to write my first piece for the Parish Magazine and to begin with I would like to introduce myself and my family.

I'm Simon - the new Vicar of Upton Grey, Herriard with Winslade, Weston Patrick and Tunworth, and Rector of the North Hampshire Downs Benefice. I am married to Hannah and we have three young daughters, Tabitha, Jemima and Kitty. We have moved into the Vicarage in Upton Grey having spent the last six years in Ashted in Surrey. Our move to Upton Grey is a return towards home for me as I grew up in Oakley, just the other side of Basingstoke.

Although we have only been in our new home for a short while we have been made to feel very welcome and we are looking forward to settling in to life in the parishes and getting to know people across the vibrant village communities. Whether you'd call yourself a church go-er or not I hope that our paths will cross – the church, and indeed the vicar are here to serve the whole community and not just the Sunday congregation.

**New Beginnings.**

I am writing this piece surrounded by boxes. Some of them full of useful and important things and others full of things that as we unpack them, cause us to wonder why on earth we didn't throw them away.

As I look at the boxes, wishing that they would somehow unpack themselves, I am struck that in some ways they might be seen to represent something significant.

As each of us progresses through life we accumulate a great many things which we package up in the 'boxes' that come to contain the summation of our lived experience to date – physically, emotionally and spiritually.

Some of the things that get packed up and stored in our lives are good and others are less so. Some of them are things to cherish and keep – perhaps

memories of happy times and significant relationships, and others would be better thrown out – long standing hurts and past grudges perhaps.

As my family and I begin a new phase of life and unpack the boxes that litter the house, I am conscious that we are also unloading and unpacking the other intangible boxes of our experience of life to date. Thankfully with a new start there is an opportunity to have a bit of a clear out of the metaphorical boxes as well as the cardboard ones and begin afresh, cherishing all that is good but also resolving to carefully and consciously throw out some of those things which inhibit full and joyful living.

I have been thinking a lot about new beginnings and I'm grateful that a new beginning doesn't require something as dramatic as a house move.

In Lamentations 3:22-23 I read that "*The steadfast love of the Lord never ceases, his mercies never come to an end; they are new every morning...*"

For me this means that a new beginning is on offer each and every day. That each day offers a renewed chance to clear those things that hinder full and joyful living as we receive the gift of Gods unfailing love and grace. Perhaps today is a good day to a little unpacking of boxes?

September marks new beginnings for many children going to new schools or new classes with a different teacher and new friends.

This can be an anxious time but also very exciting.

Life is a journey and without taking new roads and opening many doors we will never know what is at the end of the road or behind the door.

So we must take a deep breath and have a big smile and look forward to the new adventures ahead.

## The Bells Are Ringing

The bells are ringing, to start school  
Could you be thinking, it's not cool

You want freedom, to live your way  
To make each call, from day to day

The Summer passed, without those books  
Why make a change, you liked the looks

Please stop and think, reach in your mind  
The choice you make, could be a grind

You might end up, a lowly chump  
Because you thought, you had the jump

Can you get by, on what you know?  
Come on, be fair, probably no!

Look at yourself, and make the call  
You better stay, your life could stall

Just work it out, make that twelfth grade  
Embrace that Spring, and greet your parade.

Roger J. Robicheau

The newly elected Police & Crime Commissioner Mr Michael Lane is seeking your help to develop the Police and Crime Plan for Hampshire & the Isle of Wight for the next five years. I've shared his vision and mission statements below.

This is an excellent opportunity for you to have your say in local policing and the policing of the two counties.

For further information please visit the PCC's website, <http://www.hampshirepcc.gov.uk/Home.aspx> Please take the online survey <http://www.surveygizmo.com/s3/2939050/Public-Consultation-July-2016>. You have until 14th September to complete this.

My Mission is to make you, your family, and your community safer.

My Priorities are to stand up for every resident, be visible, accessible and accountable to the people I represent, and ensure their concerns are heard and addressed.

#### **To achieve this I will:**

2. Strengthen partnerships to work together to reduce crime, promote public safety and create vibrant, inclusive communities
3. Reduce offending
4. Support victims and those affected by crime and disorder

### **Local Police Report from Andy Reid.**

Dear Residents, I am seeking any information in relation to an attempt to break into a fridge unit at The Fur & Feathers public house during the night of Wednesday August 10th 2016, we suspect about 2 – 2.30 am. Also overnight of August 6th and 7th a rear window of a 'Truckman' box secured to the rear of a 4 x 4 vehicle was broken at a house in Bagmore Lane, Herriard. And still on the crime front, between July 29th and August 1st 2016, a large amount of timber was stolen from a compound at Hoddington House, Upton Grey. The thieves would have required a large van / flatbed lorry to steal it and the site can be seen from a footpath nearby.

Slightly outside the area of this magazine, at 1 pm on Monday August 8th 2016 a blue Honda possibly an Accord was seen on the B3046 at Cliddesden containing three men, they said they had ran out of fuel, one was outside the car and smartly dressed, they were asking for money. This on-going problem has taken place for some time at various roads across the south of England, another aspect is offer to sell 'cheap' jewellery but for an expensive price as 'part exchange'. All three men were described as being of Asian appearance. If this happens to you please drive away are report to the Police. We also had a garage broken into in Green Lane Ellisfield at the Preston Oakhills end of the village, nothing was stolen and this crime took place overnight of August 1st and 2nd, 2016. I ask if you can assist within any of these crimes please give me a call direct and as always all calls treated in strictest confidence.

Horse owners please be aware of a suspicious incident between July 12th and 13th when a gate was lifted off its hinges at a field off the A339 at Herriard.

I would ask all residents to please keep a look out for any suspicious vehicles / people in gateways. And please engage with the new Police & Crime Commissioner's survey, in a consultation for the future policing of our area and the two counties for the next five years.

To get involved and have your say, please go online to [www.hampshire-pcc.gov.uk/survey](http://www.hampshire-pcc.gov.uk/survey) or write to Office of the Police and Crime Commissioner, St George's Chambers, St George's Street, Winchester SO23 8AJ. You have until September 14th 2016 to share your views.

### **Another Consultation – Please Engage**

**Serving Hampshire consultation:** options for future local government in Hampshire - 27 July – 20 September 2016

Hampshire County Council is seeking views on different ways that the County Council and the 11 district councils in Hampshire could change, or be reorganised in order to sustain the delivery of council services in the future, including through gaining more powers and funding from central Government through devolution.

It is almost a year since the 15 councils in the wider Hampshire and Isle of Wight area submitted the Hampshire and Isle of Wight prospectus for devolved powers and funding from central Government. Since then, several proposals for mayoral combined authorities have emerged, which have also served to place potential local government reorganisation in Hampshire on the agenda.

There is a democratic imperative to ask the people of Hampshire what they think now, before any decisions about the future of local government in Hampshire are taken. Continuing efforts to progress the *Solent* combined authority by Portsmouth, Southampton and Isle of Wight councils make the timing of the Serving Hampshire consultation critically important.

This consultation is being undertaken by leading market research company Ipsos MORI, and invites views on options for combined authorities, elected mayors and unitary local government in Hampshire. The public consultation will be accompanied by a representative

telephone survey. This consultation concerns the county of Hampshire – the area covered by Hampshire County Council and the 11 district councils in Hampshire – not the cities of Portsmouth and Southampton or the Isle of Wight. However, some of the options do refer to the two cities and the Island.

Full details about the *Serving Hampshire* consultation will be available online at [www.hants.gov.uk/servinghampshire](http://www.hants.gov.uk/servinghampshire) . The consultation closes at 23.59 on 20 September 2016. The findings will be published in autumn 2016 and will help to inform the County Council's considerations about what recommendation to make to central Government.

This is a vitally important consultation on options that could have far reaching implications for council services and outcomes for residents in the future. I hope you will take the opportunity to respond and would be grateful for your assistance in promoting this consultation to your networks.

### **Children's Summer Tennis Coaching 2016**

Yet again Upton Grey's Summer Tennis Week was a great success with over 50 children participating from this village and surrounding villages. The coach, Andrew Ridges was ably assisted by an Assistant coach, Antonia McPhee. There were 4 groups over the morning starting at 9am with the youngest children, many of whom were first timers at tennis at the age of 4.5 years old and finishing at lunchtime with a very dynamic and accomplished older group of 10-14 year olds.

There was a wonderful atmosphere on court and around the court. During this week our park comes alive with siblings playing, adults socialising and future tennis stars being born! We were also lucky to have fabulous sunshine. Thank you to all the participants. Remember to keep the second week in August free next year for more social tennis in our village. There is also a week of tennis coaching at Easter to keep an eye out for.

The Tennis Court Committee are thankful for the support this activity has received over the years from the Upton Grey Educational Trust. It is wonderful that we can keep the cost as low as £15 per child for the week. Once again thanks to all. Julia Harker

you click on 2015 Photo Album and then click on Guy Fawkes 2015 (or 2014 or 2013).

We've had many requests to organise the same this year so start planning your Guy Fawkes designs now and let's see if we can beat last year's number. At the beginning of October straw will again be available from Newlyn's Farm Shop and Monster Fawkes, Batty Fawkes, Lucy Bell Ringer Fawkes, of course - PC Andy Fawkes and hopefully a Reverend Fawkes will be among those appearing by the end of the first week. It's great to see the Guy Fawkes spring up around the village but if you also want to enter the Autumn Festival competition on the 29 th October then you need to enter a photo of your Guy (ideally A4) by 2pm on the day.

### **Upton Grey Area Golf Society**

It is proposed to have a preliminary meeting on **Monday 16th January 2017 in the Hodd of all golfers in the Upton Grey area** to discuss the arrangements for 2017. Initial contact has been made with Basingstoke GC, where UGGS has not played before, who have given us a very competitive offer. Giles Shedden has very kindly offered (and agreed!) to organise the day. Further information will appear in the Parish Magazine. So, please, put the meeting on 16th January in your diary and if you haven't been in contact with the UGGS before, please email Giles (gilesrshedden@hotmail.com) to express an interest in being kept informed.

### **Error concerning Lee Farm, Herriard in Herriard WI Article**

There was a factual inaccuracy contained in a WI article published in the August Magazine and as submitted by the Herriard and Lasham WI. The article stated that the Dunford / Mawson family would be leaving the Farm this year. This is not the case, and they have no plans to leave the Farm or the village. Our apologies for any distress caused.

The family would like to add "The charity lunch held at the farm, mentioned in the same article, was a great success and raised over £1,100.00 with the main benefactor being the Basingstoke and Alton Cardiac Rehabilitation Charity. A big thank you to all those who helped on the day."

### **Herriard & Lasham with Bentworth W I**

Firstly we would like to apologise to Kate Mawson and family for mistakenly saying that they were leaving - this is not true and we are very sorry. The Charity Lunch on 4<sup>th</sup> August at Lee Farm was a great success and we took over £1,100 and £700 was given to Rehab. The weather was dry and sometimes sunny and good time was had by all present. Our thanks to the Dunford family and friends for the wonderful food and to our members for all their hard work on the stalls.

### **Life and Other Problems**

Our next WI meeting is on 1<sup>st</sup> September at 7.30 at R.B.L, Hall the speaker is Ms. Theobold "Life and Other Problems."

### **Date for Your Diary: Herriard Christmas Fayre**

## **TUNWORTH NEWS**

### **Ride & Stride 2016**

Ride & Stride is organised by the Hampshire & the Islands Historic Churches Trust to raise money for the preservation of the region's historic churches and chapels of all denominations. These precious buildings are central to our communities and villages.

The idea is to obtain sponsorship to visit as many churches in Hampshire & the Isle of Wight as you are able - half the sum raised can then go to the church you nominate. This year's event takes place on Saturday 10th September and All Saints' Church at Tunworth will open to all Riders & Striders for refreshments from 10.00am to 4.00pm

### **...AND OTHER IMPORTANT THINGS**

#### **Alton Choral Society**

We'll meet for our first session on Wednesday 7<sup>th</sup> September at 7.45 in the Salvation Army Hall rehearsal room (opposite Market Square) and at the same time & place each week thereafter.

Anyone can come along – no audition needed, just the ability to sing in tune and learn a part. We're currently working on Hiawatha's Wedding Feast and Magnificat by Vivaldi so don't worry if you feel a little lost on these at first since we've been doing them for a while.

However, we'll be starting more new pieces and everyone will be in the same boat. For those who don't read music, I'll be writing a "Bluffers' guide to music" for our FB page ("Alton Choral Society" public group); we also have a website: [www.altonchoral.org.uk](http://www.altonchoral.org.uk).

Please do join us: ladies and gentlemen able to sing their higher notes (soprano and tenor respectively) particularly appreciated!

Jane Lewis, Shalden

#### **Friends of Alton Abbey: "The Real A. A. Milne, 1882-1956" Saturday Sept 17<sup>th</sup> at 7.30pm**

An Evening with Sue Morris and Alfred Bradley. The interesting thing about Alan Alexander Milne is that he has become remembered for the 'wrong' thing. By the 1920s he was very well known as a prolific, talented and successful author of plays, novels, short stories and essays, but what then made him truly famous was a funny, family, silly thing that 'took off'. Eventually it rather plagued him, and indeed plagued his son

Christopher even more. This talk will focus on some of the very enjoyable and diverting (but mostly not ‘Pooh’) things written by Milne, which display his wider strengths. Tickets £15 with wine, soft drinks and light refreshments. Charity No: 284876

**Modern Christian Pilgrimage** by Revd. Canon John Draper. October 21<sup>st</sup> Friday 7.00pm, 14th Annual Lecture, Tickets £25 to include supper with wine in the Refectory after the Lecture.

Tickets for all events are available from “Tickets”, Friends of Alton Abbey, Alton Abbey, Abbey Road, Alton, GU34 4AP. Cheques should be made payable to “Friends of Alton Abbey”. Please include a SAE and contact details.

It sees teams from local companies dressed up in their chosen theme and following a charity treasure hunt around town using a wheelchair.
