**Letter from the Benefice Ministry Team**

As I write this, the sun is shining bright in the sky, grass is being cut, birds are singing and children are playing out in the park. After a fairly dreary start to the year, it is safe to say that this feels wonderful. It brings a real sense of hope to the world around us, and hope it sorely needs right now.

We have just journeyed through Lent, a time of mourning and reflecting, as we carried the story through the joy of Palm Sunday, the sober reflection of Maundy Thursday, the devastation of Good Friday and finally the celebration of Easter Day. That season is one of the most profound for me, as it takes us through such a breadth of human experience, and carries us in the tough and the joyful.

And here we are now, in the Easter season, following that day. It is a season of hope and promise. It is a season where we are fully aware of the promise of resurrection; of life coming out of death. Of light breaking through the cover of darkness. Of the certainty of Jesus in the confusion of life.

Our world is a fairly uncertain one at the moment. Whether through tariffs, political manoeuvring, environmental crises or all-out war, it is hard sometimes to see the solid ground for the chaos and confusion all around. It would be all too easy in these times to fear, to crumble, to panic. But as a good friend of mine once said to me... *'This is what we've been training for'*.

The message of Jesus isn't one of comfort, of ease, of complacency. His isn't a story that tells us that everything is fine, just relax. His is a life lived in the muck. A God who embraced the messiness of humanity and walked with the questions, engaged with the doubting, encountered reality. The message of Easter which we live in today tells us that all will be well... though maybe not as we expect, or when we expect.

The Easter story tells us that Jesus came to equip us, and enable us to engage with life in all its realness. That he invites us to journey with him through the pain, the heartache, the uncertainty. He equips us to live out in precisely the world we find ourselves in today.

His is a real hope, not a false one. A lived, experienced and tested hope. This is what we've been training for... to live confidently today.

If you want to find out more about this life, this faith, why not pop along to one of our services on a Sunday, or get in touch with the clergy in your village. We would all love to meet and chat with you, and explore this together.

Enjoy the sun... whenever we get it!

## CHURCH NEWS

### Join us on Ascension Day!

Have you marked your calendar for Ascension Day on Thursday May 29th?

Please do join us for our beautiful Ascension Day service at 7.30pm that day, in All Saints Church, Odiham. As we look ahead to this important date in the Christian calendar, people often remark that they've not even heard of Ascension Day.

But for hundreds of years, Christians have affirmed Jesus' ascension in the words of the Apostles Creed, as part of which we say:

*"....I believe in Jesus Christ, his only Son, our Lord, who was conceived by the Holy Spirit, born of the Virgin Mary, suffered under Pontius Pilate, was crucified, died, and was buried; he descended to the dead. On the third day he rose again; he ascended into heaven, he is seated at the right hand of the Father, and he will come to judge the living and the dead...."*

The adjacent picture is of one of the earliest remaining sculpted-panels in ivory, dating right back to AD400. It depicts Jesus' ascension, and underlines how important this event has been to Christians right through the centuries.

Today, the Ascension reminds us that Christianity is not only a historical faith, but a faith of the present and future. For the present, Jesus is not just our suffering servant who came and died and rose triumphant, but our actively ruling, actively conquering king, who remains active and engaged in our world and our lives.

And as Christians we have this steadfast hope in a glorious future - with him, forever. This is great news... Please come and join us in All Saints Odiham at 7.30pm on Thursday May 29th to find out more!

## **Come and join us for a Rogation Walk**

Rogation gives us the opportunity to praise God, give thanks for our food and those who produce it; to pray a blessing on the communities we share together.

Rogation is a time of asking, asking God's blessings on emerging crops. In times gone by when everything depended on the local harvest, this was vital. A failed local harvest meant starvation, so asking God's Blessing at various points was seen as important.

We still depend on farming today for our food but can draw on harvest from all over the country and beyond. It can be easy to feel disconnected from where our food comes from. Which makes this still a good time to pray for farmers who are at the mercy of the weather. The pandemic has reminded us that farmers are key workers and need our support.

The Rogation Walks for our local churches are: **Herriard at 10.00am on Sunday 11th May, Tunworth & Upton Grey at 10.00am on Sunday 25th May.**

**Revd Simon Butler**

## **Coffee & Cake**

All Saints Tunworth, St Mary's Upton Grey and St Lawrence Weston Patrick are continuing with their regular coffee/cake sessions. The March events are:

- Coffee and cake in the church porch, **All Saints Tunworth**, at 10.30am on **Thursday May 1st.**
- Coffee and cake drop-in at **Upton Grey Village Hall**, 11.00am-1.00pm on **Monday May 12th.**
- Coffee morning at **Weston Patrick Village Hall**, 11.00am-12.30pm on **Wednesday May 28th.**

Tea or coffee, slice of cake, chat. Open to all, very informal, no need to book, just turn up. All ages welcome!

## KidsZone

Recently at our Sunday children's programme at All Saints, Odiham, we explored the words of Jesus and his wonderful invitation to us to remain connected with him like a branch is connected to a vine (John 15). And as we stay connected with Jesus, we stay connected to God, the source of life.

How do we stay connected to God? Identifying the things that help us to remember and celebrate God's faithful presence with us is really important. What does that look like for you on a daily, weekly, monthly, seasonal and yearly basis?

Maybe it involves some of the following...

### **Daily**

- Thanking God for a new day before you get out of bed in the morning.
- Naming one thing for which you can be grateful before you go to sleep at night.
- Sharing a prayer of gratitude at the dinner table.
- Going for a walk or run.

### **Weekly**

- Going to church or other faith gatherings
- Meeting with a friend or family member who encourages and inspires you
- Attending a Kid's or Youth Club

### **Seasonally/Yearly**

- Special church services, school assemblies

- Observing Lent and Advent in your home
- Camp or holiday club
- Pilgrimage or mission project

Our connectedness to God isn't dependent on just one of these things, but we find our lives are nurtured and nourished through the regular rhythms and habits of all of them. Why not have a go as a family or household at tracking the things across your days, weeks and months that keep you connected to the things that really matter? Who are the people who encourage and inspire you and help you to see how what you do day by day gradually broadens out into what you might grow into year by year?

If you are looking for some ways to help you connect, you might like to consider one or more of the following below. Get in touch if you want to find out more.

In all we do, may we learn to live more truthfully; becoming more ourselves - more like the person who God made us to be.

Blessings.

## NEWS FROM THE VILLAGES

### Farming News

Twice recently as I drove down Bagmore Lane just before sunrise, a barn owl has flown out from the trees opposite the old Herriard station. He/she has then flown alongside me at about 20mph all the way to the farm where they drop into the old hay barn. I get a wonderful tracking view of the owl in flight. It's amazing what you see and hear in the countryside in the early hours.

I find, with Christmas being the same time every year and all the cows and heifers being in the barns for winter, that our work at that time of year is predictable and formulaic. We make sure all the cattle feed is in the right place before the holidays, the work rota is up together, everyone's family commitments are covered, and we all try and have some decent time off. Easter, on the other hand, is very different. We never know what the weather is going to throw at us, whether we will have cattle out or in, or if we'll be planting maize. Add to that that Easter moves around by nearly a month from late March to late April (over to you to explain that and the links with the moon please Simon!) and organising farm work and planning time off becomes tricky. This year for example has been the complete opposite to last. Whereas last year was wet, this year, as all you gardeners are well aware, has been drought like ...in March. I'm writing this in early April, sitting outside listening to the multitude of birdsong and it's gorgeous.

For the first time since 2022 we have managed to roll all our grassland with our heavy flat roller. The ground was too wet the last two years, but this year has been perfect, so finally we've managed to roll in all the flints (Hampshire Diamonds!), mole hills and cattle hoof prints and prepare our grass fields for grazing and silage making. Flat rolling also pushes the earth and the roots together after frosts lift the ground, this accelerates growth and in a dry spring like this, retains water.

We've been out removing fallen trees and limbs from the field borders which has the added side benefit of restocking our log sheds ready for next winter. Fences and gates have been mended where assorted winter wildlife have broken them. Our three teenagers have had fun dismantling an old, barbed wire fence around a large tree clump by removing the staples and attaching the old wire to the back of our battered Ford Ranger pickup and driving off pulling the wire out of the

brambles. Not sure how well my health and safety briefing was adhered to mind!

We need the fences and gates to be in really good order, especially in the young stock fields because the 8 month old heifers have never been out of the barns before having been housed all autumn and winter. When we open the barn door and usher them out into the paddock it's such a joy. Some leap out of the barn and race off around the field straight away, the more timid ones, we have to literally manhandle out of the barn and once in the field it takes them a while to figure out their newfound freedom before they too are off around the field at a rate of knots. We'll feed them a 21% protein nut once a day when they are out at grass. When they are in the barns for winter, we feed them with the nut twice a day and bed and feed them with straw as well, so it's much more labour intensive and costly when they are in.

We are currently planting our maize into some very good seedbeds. Normally we are trying to obtain a nice dry seedbed but this year we are trying to retain as much moisture as possible. As soon as it is planted, we will spray with a pre-emergence herbicide to take out any weeds as they start to poke through. Rain is forecast midweek, and this will activate the herbicide, so fingers crossed our timing for planting has been spot on. Maize hates any kind of competition from other plants or soil compaction that inhibits its roots going deep, so we try to get it off to the best start we possibly can. Like most things in life, the care and attention spent that goes into the preparation, pays dividends later on.

The Skylarks have been in full song above our wheat fields this Easter and with the maize and grass growing, some of the cows out, the sun shining and warm rain forecast, we are looking forward with optimism.

### ***Teas***

Denise Turnbull will be running the teas with her wonderful team of helpers. If you would like to make a cake, please leave at Compton House on Friday 6th June or first thing on the morning.

### ***Cake Stall***

Eliza Bromley-Davenport (Sun Cottage) and friends are running the cake stall, so they too will be asking for donations. Eliza can be contacted: [Elizagorebrowne@gmail.com](mailto:Elizagorebrowne@gmail.com)

### ***Toys***

Good quality toys much appreciated.

Mary Harman mobile: 07909 510829 for drop off instructions.

### ***White Elephant***

Frances Yeowart and helpers will be running the White Elephant stall. Any **good quality and clean** unwanted items, that can be sold from a table (!) are welcome. Please bring to the stall during the morning of the fete, or, if this is a problem, please contact Frances and arrange for drop-off. Mobile: 07774163217

### ***Books***

We very much welcome donations of second-hand books in good condition but please bear in mind what is likely to sell. We would like **\*modern\*** novels/literary/thrillers/romance and young adult/children's books, but we cannot usually manage to sell out-of-date non-fiction, i.e. factual books such as 'how-to' or history or old cookbooks.

Please could you kindly bring your donations to the stall in the morning of the Fete or when you first arrive in the afternoon.

If in doubt, dump your unwanted books yourself rather than donate them to the stall, as we can't store anything and some of us are too old to take heavy loads to recycling!

Contact Susie Vereker 01256 862365

### ***Raffle***

If you can't come but would like to contribute, or are just feeling generous, Sarah Barnes would be delighted to receive raffle prizes such as you would like to win yourself! Email: [pg.barnes@btinternet.com](mailto:pg.barnes@btinternet.com)

### ***Children's Games***

Helpers required - please contact Tara Brown email: [tarabrown179@googlemail.com](mailto:tarabrown179@googlemail.com) if you can spare an hour or two...

### ***Garden Stall***

Early call-out for the UG fete garden stall. The garden stall takes year-round effort and as with all the other stalls relies on donations. If you are having a clear-out/spring clean of the shed and have any unwanted garden tools, garden furniture, an old wheelbarrow, hanging baskets, terracotta/ceramic garden pots then please don't throw them away. If you have leftover flower or vegetable seedlings, the odd bag of compost, or maybe overbought on your bedding plants, are dividing a hosta or any perennials, surplus rhubarb, the odd indoor plant or anything that could possibly be sold on a 'garden' stall please let me know – I can collect or just drop on my drive or deliver to the stall on the day – Clock Cottage, Cleves Lane, Tel: 862705. Any donations will be very much appreciated – Thankyou.

### **Concert for a Summer Evening @ St Mary's Church, Upton Grey. Sunday 22nd June @ 6.30 pm - Back by popular request!**

Many of you were at the opening concert held in St Mary's church last year to celebrate the installation of the new pipe organ. It is looking and sounding so beautiful.

We are delighted to say that Andrew Sackett, former organist at Tewkesbury Abbey and St Pauls' Knightsbridge, will be returning to present a programme of well-known works for the organ as well as directing a quartet of young professional singers. The power of such voices in our little church must be heard to be believed!

Everyone is very welcome, but we are limiting the audience to 80. Hopefully the weather will be at its glorious midsummer best so drinks can be served outside after the concert, which will last an hour.

Tickets to this special village event @ £18, to include a glass of wine, can be reserved by emailing: Frances Yeowart: [francesyeowart@outlook.com](mailto:francesyeowart@outlook.com)

## **Report on Safari Supper 2025**

Dear Villagers,

Thank you to all of you who took part so generously in this year's Safari Supper. It was a huge success with a record breaking number of over 80 participants!

Between 7.15 and midnight on the 22nd March there was lots of movement around the village, on foot and by car as people circulated between courses on Upton Grey's Safari Supper night. Many survivors made it to the village hall at the end for the traditional glass of port or cup of coffee and tea. This year we had some sponsorship from Summerdown mints and so there were also delicious chocolates and mint tea as well. The chatter and laughter rang out and we did not leave the hall until midnight. Apparently there were even some after parties!

A special well done to all former members for being so welcoming and to all new members for giving this hugely fun village event a try. We felt proud to live in Upton Grey. There was a true spirit of neighbourliness and positivity very much needed in today's world. Several of the newbies wrote to Viv and me after the event to say that they had really enjoyed their first Safari Supper and it really was a great way to meet people in the village.

Most couples hosted one of three courses. Occasionally due to the number taking part there are a few people who are asked to be 'extras' which means that they do not end up hosting anything. A new member made a suggestion that next year we should try offering this as a sort of 'golden ticket' so watch this space!

Thank you for helping to raise in the region of £1300 for St Mary's Church by supporting this event. Look out for next year's Safari Supper which is likely to be on Saturday 21st March 2026. We will confirm nearer the time.

Best wishes, **Julia Harker and Viv Raven**

## **Educational Grants available to ALL Upton Grey Residents**

The Upton Grey Educational Trust was formed when the Upton Grey School was sold after its closure in the 1980s and half of the proceeds were put into a Trust.

The Trust can use the income from the investment twice yearly "for the advancement of education". The Trust meets in June and December each year to consider applications for assistance with educational needs, **from any age group and with no means testing.**

Since the Trust was set up, it has awarded grants to over 100 applicants and 16 groups in addition to Long Sutton School.

For more information on how to apply and terms and conditions, please visit [www.uptongreychurch.co.uk](http://www.uptongreychurch.co.uk) (under Groups & Organisations) or email [debbie@debbie-bridle.com](mailto:debbie@debbie-bridle.com).

This is primarily open to residents of Upton Grey, but consideration **may** also be given to applicants from other parishes within the Benefice – funds permitting.

Applications must be made in writing by the person requiring assistance and **NOT** by a parent/guardian or other.

We are very lucky to have this fund and very grateful to the late Ros Mills for establishing it.

Please submit your application in writing **by the end of May 2025** to be in with a chance for the application to be put forward at the June meeting.

The cricket season is just around the corner which will see Herriard's teams playing at home at Herriard Green every Saturday commencing at 1.00pm from early May. But please keep an eye on the noticeboard for further details, so you can come along and lend your local team your support. We also have a pay bar and ice lollies for sale for the big kids amongst us; all you need is to bring the sunshine, your blanket and picnic!

But did you know hidden away in this little gem called Herriard Green, we also have two tennis courts and unlike other facilities dotted in and around Basingstoke our courts are available 365 days of the year? Our membership is extremely competitive, and we also have access to coaching – so why not give us a try.

A warm welcome awaits new members whatever ability and, if you are interested in cricket but the competitiveness of Saturday league is not for you, we also have an occasional Sunday friendly side too. Cricket training takes place every Thursday from 5.30pm, weather permitting, from around mid-April. So if you fancy having a go with the bat, racket or ball why not come along and give us a try?

Whether you are interested in joining us for sports or simply to enjoy meeting new friends in your community, we occasionally hold social events which are open to all.

We are also looking for sponsors and have a wide range of sponsorship opportunities available. Please get in touch to find out more about how you, or your business, can get involved in supporting your local community – [herriardsportsclub@gmail.com](mailto:herriardsportsclub@gmail.com) What's on section, or Dates for your diary

## **An Evening with the Odiham Military Wives' Choir – Saturday 22nd March**

It was a joy to welcome the Military Wives' choir from Odiham to Herriard last month.

The concert was absolutely amazing. During the evening, we learnt about how it all began in Catterick, where a choir for military wives and girlfriends was set up in 2010 by Nicky Clarke and Caroline Jopp. Nicky had written to Gareth Malone about the benefits that a choir could bring to military wives during a deployment to Afghanistan. There are now 70 choirs, connecting with nearly 2000 women in the military community and creating a support network through the power of singing.

The Choir sung a fantastic mix of Military Wives Choirs songs like 'Home thoughts from abroad' and songs like 'Only You' and 'Empire state of mind' – and Choir members were so brave to tell us their incredibly moving stories.

We raised £800 to be split between St Mary's and the Military Wives' charity. Thank you to everyone who supported this event and to those who worked so hard to make the evening such a success – and of course our most especial thanks to the brilliant Choir!

Visitors are always welcome to attend for the small entry of charge of £3.00. For further information please view our website at <https://www.nwdgc.org.uk>

Established in 2012, the foodbank operates through a voucher system with referrals from local agencies. For more details, visit <https://basingstoke.foodbank.org.uk/> Every egg counts!

**North Hampshire Downs  
Mothers' Union**

Due to the Bank Holiday on Monday 5th May, our branch meeting will take place on the second Monday, 12th May, at 7:30pm. We will meet at the RAF Chaplaincy Centre as usual.

On Saturday June 14th we will have a stall at Hartley Wintney Village Festival where we plan to sell second-hand books to raise funds for the Mothers' Union campaign to support literacy around the world, particularly for women and girls. 480 million women around the world can't read or write, which means that they can't register the birth of their baby, read the labels on medicine bottles or open a bank account.

Literacy is so important as it empowers women and changes their lives and the lives of their community. If you would like to donate some books to support us, then please contact me for more details.

## **Longer days, warmer weather, more opportunities to do exciting things!**

As we move into our summer term, despite having seventy activity groups already meeting during the week, our members have been organising even more to choose from. When places for a Neil Diamond tribute evening at Winchester Theatre were offered, they were seized upon with a speed that rivalled Glastonbury!

## **Our new activities for May include Ballroom Dancing and Chess!**

Our **Ballroom Dancing group** will be waltzing their partners in weekly sessions across the floor of North Warnborough Village Hall. Guiding them through their steps will be a professional dance duo, Thomas and Hayley, who will keep members on their toes with a two-hour session of ballroom and Latin dancing.

With fewer sequins but still plenty of practised moves our **Chess group** is also taking to the boards! This new group is just beginning, as interested members come together to make arrangements for regular play dates.

**Croquet** makes a return for the summer season - always a favourite amongst members. The Odiham & Greywell Cricket Club are kindly hosting us again, providing three courts for us to use. Sessions here are fun and light-hearted but we can also provide for the more serious player too.

Summer also means our U3a **Annual Picnic**, organised to coincide with Odiham RAF Families Day which allows us to enjoy a free air display – weather permitting!

## **And, we also start planning for our fast approaching ... Open Day: Wednesday 13th August, Robert May's School**

Our Open Day is a unique opportunity for members and non-members alike, to come and see what our u3a is all about, to see the wide range of activities we offer, and to meet socially over tea and cakes. Our groups will be there, with “stalls” which will both showcase their activities and above all provide an opportunity for visitors to talk and learn about what they actually do.

Why don't you make a note of the date so you can keep it free and come along? To find out more, please visit our website. <https://odiham.u3asite.uk/>

## **Hampshire & Isle of Wight Wildlife Trust – The vanishing call of Britain's lapwing**

Spring in the British countryside once echoed with the distinctive, trilling call of the northern lapwing (*Vanellus Vanellus*), a striking black-and-white bird with a shimmering green back and a wispy crest. Also known as the peewit - after its haunting call - lapwings were once a common sight, but today their numbers are in serious decline.

Lapwings are an unmistakable part of the UK's natural heritage. Their dramatic, tumbling flight displays in early spring are a spectacle, as males perform acrobatic dives to impress potential mates. But while they may be bold in the air, they are incredibly vulnerable on the ground.

As ground-nesting birds, lapwings lay their well-camouflaged eggs in simple scrapes in mud or sand, on short grassland and arable land. This makes them highly susceptible to disturbance from people, livestock, and, crucially, off-lead dogs. A single frightened bird taking flight may not seem particularly noticeable, but if lapwings are repeatedly disturbed, they abandon their nests - leaving eggs or chicks exposed to predators and the elements.

Habitat loss has already pushed lapwing numbers into steep decline. Since 1967, the UK population has decreased by 55 per cent, earning them Red List status as a species of conservation concern. Loss of mixed farming, spring coppicing and the intensification of grassland management have all contributed to their struggles.

Many nature reserves managed by Hampshire & Isle of Wight Wildlife Trust provide nesting areas for various species of ground nesting birds, including Testwood Lakes Nature Reserve, near Southampton, which is home to breeding lapwings.

As a nation of dog lovers, we all want to enjoy the great outdoors with our furry companions. But we must also remember that we share these spaces with wildlife that depends on them for survival.

One of the biggest challenges is how difficult these nests can be to spot, even for trained eyes, in open locations where you would expect to see them. Their natural camouflage makes them blend seamlessly into their surroundings, increasing the risk of accidental disturbance.

By keeping dogs close by and under control during the ground-nesting bird season, which lasts from now until late summer, we can help protect vulnerable birds and other species. Small changes in our behaviour can make a big difference, ensuring that future generations can continue to enjoy the sights and sounds of nature in our beautiful landscapes.
