**BENEFICE MAGAZINE – November 2018**

**Edition for the Parishes of Herriard with Winslade, Tunworth,  
Upton Grey and Weston Patrick**

**A letter from the Benefice Ministry Team**

This month marks the 100th anniversary of the end of the First World War and we'll be joining millions people from around the world commemorating the end of the first global conflict.

Many of us will be praying for peace, for 'the war that was meant to end all wars' didn't live up to this description. Another terrible global war started 21 years later and we've had countless smaller conflicts since then. Our daily news programmes feed us information of armed conflicts occurring all over our world today.

First World War commemorations began four years ago, on the anniversary of the start of that war. At each major stage of that conflict, we've had the opportunity to learn more about those involved and the suffering and loss that they endured. Many accounts were of horrendous conditions on the battlefields and, often, the senseless loss of life.

And yet, there have also been very different stories – they revealed an enduring spirit of faith and compassion, which surfaced from time to time on both sides of the battlefield. A German pilot flew over the British lines and dropped a packet containing a letter. It had details of a British pilot who'd crashed and was safely evacuated from his burning plane by enemy pilots. His relatives were very grateful for this news.

And the Germans established a military cemetery near Cambrai, in France, for those who were killed from all sides. Each one was accorded the same memorial cross. In the centre of the cemetery was a large memorial stone inscribed with the following words:

*The sword divides but the cross unites*

It is easy to become disillusioned about the prospect of world peace. But when we encounter words like these, we should feel heartened. The peace which comes from the cross is a peace which transcends the world. Like that memorial stone, it stands as a hope for the future. And we must always live in hope.

**Rev'd Mary-Beth Hawrish**

## CHURCH NEWS

### **Adult Choir**

The Adult Choir will next meet on Tuesday 6th November at 8.00pm.

The next 10.00am **Thursday Holy Communion service in Herriard** will be on 15th November. All are welcome to this informal, friendly and relaxed service, which is followed by refreshments.

### **Harvest Festival services & Harvest meals – a thank you from Simon!**

My thanks go to everyone involved in hosting harvest suppers and lunches across the parishes and to all those who very kindly prepared food and attended. These are wonderful opportunities to get together as a community and to celebrate the generosity of God's provision.

**Remembrance Sunday** is 11th November and we have three Remembrance services in our group of churches that day.

St Mary's Upton Grey – 10.00am: Parish Communion.

All Saints Tunworth – 5.00pm: the Dean of Winchester (The Very Revd Catherine Ogle) will preach at Evensong, followed by refreshments.

### **Candlelight Reading of the Poetry of the First World War**

Saturday 10th November 6.00pm at St Mary's Herriard.

The hell of the Great War poignantly produced some of the finest poetry in the modern English canon, by poets such as Rupert Brooke, Siegfried Sassoon, Wilfred Owen and Rudyard Kipling. On November 10th, the eve of the 100th Anniversary of the end of World War I, we will celebrate their work in a short recital dedicated to the terrible beauty of their words. These are poems you know, even if you think you do not, they are part of our DNA as a nation. There will be beautiful music and it is intended as a candlelit reflection to honour those who laid down their lives for us. Retiring Collection in aid of 'Supporting Wounded Veterans'.

### **Advent Carol Service: 6.00pm 2nd December at St Mary's Herriard**

All are warmly invited to our annual Advent Carol Service, with its moving liturgy, music and readings both sacred and secular. The singing will be led by the same wonderful group of soloists as last year, and carols are followed by delicious refreshments – an evening not to be missed!

Is Sunday morning a pressured time? Our new monthly tea-time service could be the answer! The next one is: 4.30pm on Sunday 25th November at St Mary's, Upton Grey. Open to families across our villages, this service will start with a simple sandwich tea for our children, followed by a contemporary all-age service. Do come along and join us.

Our two Christingle services this year are both at 4.00pm:  
 St Mary's church, Upton Grey, on 9th December

We are planning to hold the Christingle-making just before the services, so that the children can make them together, with the help of parents or carers if needed, and then carry them into church. This is a fun activity for the children before they go into the service and you are warmly invited to come. (Please note: oranges etc will be provided.)

In Upton Grey on 9th December, Christingle-making will be in the village hall and will run from 3.15pm.

**St Mary's Herriard at 9.45am**

**St Mary's Upton Grey at 10.00am**

**All Saints, Tunworth at 11.00am (Family Carol Service)**

## NEWS FROM THE VILLAGES

### Summer Holiday Club

The thermometer has tipped 30°C, the ground is rock hard after nearly a month without rain and a handful of faithful workers can be found hauling chairs, hanging bunting and bashing pegs into the iron ground – it must be Holiday Club week!

During the second week of August, the peace was shattered in Upton Grey by the rousing chorus of ‘Ahoy me hearties’, as around 80 children and 20 helpers learnt from our new friends, the pirates of the mighty marauder, that we may have all fallen short, but Jesus has paid our ransom, so that we can live life to the full. Each day was jam-packed with singing, drama, craft and sports, as well as plenty of opportunities to really get to know the children individually. We’ll be back again next year, even bigger and better!

### Hart Male Voice Choir – South Warnborough

Join us at St Andrew’s on 10th November from 6.30pm to 8.30pm for a concert by Hart Male Voice Choir to commemorate 100 years since the end of World War 1. Ticket list in South Warnborough village shop.

## **News from Long Sutton Church of England Primary School**

The whole school walked to All Saints' Church in Long Sutton on Friday 5th October for our Harvest Festival. If you were at home in Long Sutton on that morning, you may well have heard us, as our lively service involved a Harvest Rock n Roll hymn, accompanied by kazoos and the hand jive! Helen Chatfield, Youth Pastor for the Benefice, led the service, for which the theme was 'Growth', talking to the children (with her Emu puppet) about how living and growing the way Jesus taught us takes love, courage and hope (our new school values). Thank you to All Saints Church for hosting our service and making us feel so welcome.

This half term we have been introducing our new approach to 'learning about learning'. We want our children to develop a language for learning so they can discuss what it takes to be a good learner, put it into action in their lessons and in other aspects of their lives, and reflect on their own learning skills. The approach we have chosen is based around 4 'Learning Gems': Independence (Diamond Power); Perseverance (Emerald Power); Managing Distractions (Sapphire Power); and Collaboration (Ruby Power). We are aiming to have introduced all four by Easter and children will receive gem stone rewards (no expense spared!) as they show their learning gems in action.

If you have children of Primary School age and would like to find out more about us, I would love to show you around our 'vibrant and exciting' school (Ofsted March 2018). Our final Open Morning for children starting school in September 2019 takes place on Tuesday 30th October (9.15–10.30am). The event will include a talk from myself, with contributions from other key members of the school community, followed by a tour of the school, led by some of our Year 6 children. If you would like to attend, please telephone the school office on 01256 862238 to book a place. If the planned date is inconvenient for you, or if you are interested in places in other year groups, please telephone the office and we will be happy to arrange an alternative time for a visit. We currently have limited places in all year groups.

### **Fly-tipping**

You may have noticed that fly-tipping within the Upton Grey Parish is on the increase. Fly tipping is the illegal dumping of waste. It doesn't look nice and it's harmful to the environment; it can also be dangerous to anyone who comes into contact with it and it's expensive to clean up.

Please report any fly-tipping to Basingstoke and Deane Borough Council via their website [www.basingstoke.gov.uk/flytipping](http://www.basingstoke.gov.uk/flytipping). If you pay someone to take your waste away, make sure you are absolutely certain that a licensed waste carrier is taking it away. Follow these steps:

- Ask to see a waste carrier permit – this is issued by the Environment Agency.
- Ask for a waste carrier number and contact the Environment Agency directly on 03708 506 506 for a free instant waste carrier check. Or check on-line at <https://environment.data.gov.uk/public-register/view/search-waste-carriers-brokers>.
- Ask for a receipt or a transfer notice before the waste is taken away.
- Make a note of the vehicle registration and vehicle details if possible.
- Make absolutely sure you know whom you are employing and where the waste gets taken. Be curious; ask questions – any legitimate business will gladly explain these things to you.

If you don't do these checks, if you don't know who is taking your waste and don't know where it's ending up, you are the one that could be held responsible and prosecuted if it's fly-tipped. For help with choosing a reputable waste carrier, use [www.checkatrade.com](http://www.checkatrade.com) or [www.buywithconfidence.gov.uk](http://www.buywithconfidence.gov.uk).

Tickets can be bought on the door or in advance from Sue Naegeli [sue@childstrust.org.uk](mailto:sue@childstrust.org.uk).

## **Educational Grants available to ALL Upton Grey Residents**

When the Upton Grey School was sold after its closure in the 1980s, half of the proceeds went to the village and the Upton Grey Educational Trust was formed.

The income from the sale proceeds, invested by the charity, can be used twice yearly 'for the advancement of education'. The Trust meets in June and December each year to consider applications for assistance with educational needs, from any age group and with no means testing. Since the Trust was set up, it has awarded grants to over 90 applicants and 15 groups in addition to Long Sutton School.

For more information on how to apply and terms and conditions, please visit [www.uptongreychurch.co.uk](http://www.uptongreychurch.co.uk) (under Groups & Organisations) or email [debbie@debbie-bridle.com](mailto:debbie@debbie-bridle.com). This is primarily open to residents of Upton Grey, but consideration may also be given to applicants from other parishes within the Benefice – funds permitting.

We are very lucky to have this fund and very grateful to the late Ros Mills for establishing it. Funds are available and the Trust would warmly welcome any new individual applications – so why not apply!

Please submit your application in writing before the end of November 2018 to: The Secretary to the Trustees, Upton Grey Educational Trust, Clock Cottage, Cleves Lane, Upton Grey, Basingstoke RG25 2RG or via email to: [debbie@debbie-bridle.com](mailto:debbie@debbie-bridle.com) (requesting a read receipt). (NOTE that any late applications received after this deadline will automatically be carried over to the next meeting).

## **Operation Christmas Child's 'Love in a Box' and Shoe Box Sunday**

It's shoebox time again – the time of year to send a gift-filled shoebox to a child in need. It's a very simple and personal way to show the millions of children in our world who have very little, that we, who have so much, do care and can help!

What should the box include? A medium sized shoebox (box and lid wrapped separately) should be filled with toiletries, stationery and toys/gifts. Most supermarkets do a great VALUE range of toiletries i.e. soap, sponges, toothpaste/brushes and the pound shops / Wilko / B&M are also good for toys and gifts such as hairbrushes, recorders, soft toys, dolls, cars, dominos, skipping ropes, puzzles, balls, colouring books, yoyos, stationery etc. Sweets can be included but no chocolate as some of the boxes go to hotter countries. Most of the supermarkets have a value range of bags of sweeties like midget gems or toffees for as little as 25p. Boxes should also not contain any liquids in case of leakage.

For more ideas of what to include, as well as knitting patterns should you wish to include a homemade gift, there is a website which will help: <https://www.samaritans-purse.org.uk/what-we-do/operation-christmas-child/get-involved-occ/>. Otherwise you may contact Viv Anscombe for further information: 01256 862455 or [vivanscombe@gmail.com](mailto:vivanscombe@gmail.com)

*What age children are the boxes for?* There are three age ranges: 2–4 years, 5–9 years and 10–14 years. Boxes should either be made for a boy or a girl. Labels for each age range can be downloaded from the website or found in the leaflet some of which will be left in the church in the next week or so.

*What is Operation Christmas Child?* Operation Christmas Child's 'Love in a Box' is the world's largest children's Christmas project – sending gift-filled shoeboxes to children in need.

*When do they need to be ready?* Shoeboxes need to be ready for UG church annual shoe-box service on Sunday 18th November. It will be part of the Family Service that day, so please start collecting things now to put in your shoe boxes. Your shoe box will give so much joy to those children who will have little else at Christmas time.

We are grateful to have a sponsor who is willing to cover the £5 per box handling/shipping cost so there is no need to include this.

If you can't get your hands on a shoebox let me know (Debbie Bridle 01256 862705) or [debbie@debbie-bridle.com](mailto:debbie@debbie-bridle.com)) – I have several spare ones, some of which are ready wrapped!

### **Coffee at Home**

Herriard's 'Coffee at Home' had a great success for its first one in October. Thank you, Sue!

So please come and join us on Monday 5th November, at 10.00am, at Gemma Hounsell's House in Bagmore Lane, Herriard (381354). Perhaps you could bring someone else with you who would like a drink and a chat and lovely cake too. It's free!

Also, planning ahead – the one after will be Monday 3rd December, at 10.00, with Michelle at Southrope Farmhouse, Back Lane, Herriard (381227). Everyone welcome! Let's get this going around the village. We are happy to help and we have volunteers to give lifts. Please contact Michelle if you would like transport.

### **Herriard Road Safety Campaign: Dash Cams**

The safety of roads through and around Herriard has always been a particular focus of Herriard Parish Council. Dash Cam footage of road incidents can now be sent directly to Hampshire Constabulary, so that we can all assist in taking action against those who put other road users at risk [www.nextbase.com/en-gb/national-dash-cam-safety-portal](http://www.nextbase.com/en-gb/national-dash-cam-safety-portal). Not everyone has a dashcam, so working with Dash Cam supplier NextBase, HPC intends to make 2 Dash Cams available to borrow on a rota basis. Please email [clerk@herriard-pc.gov.uk](mailto:clerk@herriard-pc.gov.uk) at Herriard Parish Council if interested with Name, email and contact phone number, or contact a member of the Parish Council.

### **Herriard Gardening Club**

October was the month of change from Summer to Autumn and a time when much of the focus is on tidying and harvesting the remaining produce from our allotment and gardens. You would be forgiven for thinking that a dormant period is upon us and yet this is one of the most exciting points of the calendar. Planning Spring 2019!

If you haven't already planted out your bulbs, now is the time to do it and this month's club discussion was on the ever popular 'Bulb Lasagne'. Pots, in contrast to planting in the ground, provide containment and less work when thinking of lifting from beds at the end of flowering.

The 'Lasagne' idea is a simple and very effective layering system allowing for plants to flourish in the same pot from early February/March through to May/June depending on your choice of bulbs – especially if you work with a good sized pot. Use three parts John Innes No 2, mixed with one part grit for best results – and liquid feed every 2/3 weeks once shoots start to surface next year. Firstly, put some drainage support in the bottom of your pot – a great tip is to use up any small plastic seed pots, it recycles plastic and also means you won't use up too much compost. Layer with the latest flowering bulbs first - usually tulips or alliums, cover with a light compost layer and then with daffodils bulbs, covering again before layering with crocus bulbs. Give it a water and then don't water again until the first shoots start to appear or you could risk making your bulbs too wet and rot. There's a great video on Sarah Raven's website for a more visual aid. ([www.sarahraven.com](http://www.sarahraven.com))

As well as planting bulbs it is also a great time to divide any plants in your garden that have become a little unruly, but also to share amongst friends and this month was also a swapping session between members. Do let us know if you have plants you have divided and no longer want as I'm sure there will be a home for them amongst HGC members, if not kept for the fete plant stall in June. It's also worth mentioning we are always on the lookout for unusual seeds.

Following a bumper harvest of apples we thought we'd share a recipe of a club favourite with you:

***Recipe of the month: Casey's Spiced Apple Cake***

*225g Margarine*

*225g Self-Raising Flour*

*225g Light Brown Sugar*

*4 Eggs (medium to large)*

*4/5 Sweet Apples (like gala)*

*1 level tsp of Baking Powder*

*Cinnamon to your tasting (for me normally 4tsp)*

Grease or line a 20cm tin

Heat oven to 140C (fan assisted) – this is a slow bake and should take about an hour.

Skin and core apples and cut roughly into small pieces.

Mix all ingredients (except apples) in a bowl.

Mix apple pieces into cake batter

Pour into cake tin and cover with foil and pop in the oven

Best eaten when still warm – optional extras; chopped hazelnuts and /or sultanas.

## **Herriard Gardening Club Summer Outing to The Cannon Street Garden.**

The summer outing in July was an absolute treat in visiting the colourful, one acre garden growing above Cannon Street Station in London, high above the River Thames, looking left to Tower Bridge and right to the Eye, with St Pauls Cathedral in the background.

Grown in only nine inches of soil with its own water supply caught on the building and pumped up from the basement using a timed watering system it is a palette of colour and a lesson in thoughtful planting. The garden is divided into 'rooms', including a drought tolerant garden and areas of tropical plants interspersed with pristine lawns and bench seating. We particularly noted the colourful planting, such as the canna lilies, lavender, bottlebrush, roses and echinacea, as well as the size and quality of hydrangea with heads as big as footballs. The tropical garden contains orchids, small ferns and larger tree ferns, namely *Dixonia Australis*.

The garden was planted and designed 4 years ago by Paul Burnage of Grasshoppers Ltd, fellow Liveryman of mine in the Worshipful Company of Gardeners. He and two other members of Grasshoppers look after the garden for one day a week all year round. The garden is not open to the public, but may have one-off openings from time to time in the City Open Garden Scheme and it is enjoyed by everyone who works at the Cannon Street Station buildings. Paul recently won three prizes in the City of London for sites which they maintain.

## **Herriard with Lasham & Bentworth WI report**

Our talk this month, entitled 'Modern Slavery & Human Trafficking' was given by newly published author Helen Matthews. Shockingly, it is estimated that over 45 million people are victims of these atrocious acts. This highly illegal trade of forced labour adds over \$150 billion to the private economy each year, so a very lucrative trade indeed.

Helen has researched thoroughly before writing her first novel *After Leaving the Village* which tells the story of an Albanian girl coerced into the sex slave trade. She spent time in Albania talking to families, as this is the country that most people are trafficked to the UK from. The lack of prospects encourages youngsters to look abroad for work and training to better themselves. They become vulnerable without a family network and are often easy prey for people who pretend they want to help them. Often people have paid to be transported to a different country and told they must work to repay their fare. They are then enslaved to these dreadful people and work without ever managing to repay their 'debt'.

Helen is an ambassador for the charity, Unseen, which investigates, rescues and supports victims of these terrible crimes. She says we must all take responsibility for noticing what is going on around us. Make a point of getting to know your neighbours and work colleagues. Do they always look tired, or keep themselves isolated from others? Do they look hungry, unkempt, not wearing appropriate clothing or safety wear for their work? Do they seem afraid? Reach out to them; remember under the Modern Slavery act of 2015 it is illegal as well as totally inhumane for people to be enslaved!

This very interesting and somewhat shocking topic was discussed at length and hopefully we will all be more aware of what is happening around us. Helen was warmly thanked for her talk, after which we all enjoyed tea and biscuits.

Helen's book *After leaving the Village* is published by Hashtag press, ISBN 9780995780682, price £7.99, a donation to the charity is made from the sale of every book sold. Unseen Registered charity number 1127620 [www.unseenuk.org](http://www.unseenuk.org). Please look at the website for more information.

Our next meeting is Thursday 1st November 2.30pm at the RBL Village hall and we welcome all ladies for a make-up demonstration.

## AND OTHER IMPORTANT THINGS

### **Our Poppy Appeal – 26th October to 11th November**

The Poppy Appeal provides the funds for the Royal British Legion to continue its mission of lifelong support for the Armed Forces community – serving men and women, veterans, and their families.

This year the Odiham and District Branch Poppy Appeal is aiming to raise a total of £14,000 between 26th October and 11th November. The £13,500 we raised in 2017 arose broadly from the following areas:

£5,500	House to house and street collections
£4,000	Schools and shops, garages and pubs
£2,000	Special events (eg coffee morning, sale, bridge lunch, etc)
£1,000	Church collections on Remembrance Sunday
£1,000	Other donations, wreaths and gift aid tax

We are fortunate to have a pool of loyal helpers led by Belinda Lazell, our Poppy Appeal Organiser, supported by a strong team including:

Neil and Caroline Mitchell (Odiham house to house and street collections)

Simon Lloyd (Garages and pubs)

Sue Freeman (Odiham schools and shops)

Sue Forsythe (North Warnborough)

Maria Bryant (South Warnborough)

Mary Saunders (Long Sutton and Well)

Jo Adair (Upton Grey)

Julia Annandale (Greywell)

Caroline Dixon (Dogmersfield)

Inevitably, as the years pass, our collectors retire and replacements are needed. If you are able to help or have any fundraising ideas then please contact me to discuss the opportunities that exist. Cash is becoming less common and the house-to-house collections, our greatest source of income, could be affected by this. We must change in the future to protect the revenue stream that is so vital to our charitable aims. We hope to increase the number and value of gift aid donations in poppy boxes and at church collections.

British Forces remain deployed around the world in many countries. Greatly improved medical, evacuation and rehabilitation services have increased the survival rate amongst our grievously injured over the past decades. Your support, so willingly given in past years, remains as important as ever in providing lifelong care for those in need.

Our concert on Sunday 18th November at 7.00pm in The Anvil features the ever-popular work of Karl Jenkins. We will be singing this piece one week after Armistice Day and we hope the work will offer inspiration and solace for a time in need of both.

The New London Sinfonia will also perform Jenkins's *Palladio* – a work for strings. This is a celebration of harmony, order and restraint and very recognisably in the Baroque style. These two pieces showcase the enormous appeal of our most famous contemporary composer. Tickets available on 01256 844244 or [www.anvilarts.org.uk](http://www.anvilarts.org.uk). ### **North Hampshire Downs Mother's Union**

Let's stop violence against Women! 25th November is the International Day for the Elimination of Violence Against Women and Girls (what a mouthful!) and is also the start of the 16 days of activism against gender-based violence which runs until Human Rights Day on 10th December. Why do we need this campaign? Here are some of the shocking statistics:

- The World Health Organisation estimates that at least one in three women globally will experience some form of gender-based violence at some point in their lifetime.
- An estimated 35 percent of women worldwide have experienced either physical and/or sexual intimate partner violence or sexual violence by a non-partner at some point in their lives.
- 60 million girls are sexually assaulted at or on their way to school.
- In England and Wales seven women a month are killed by a current or former partner
- In England and Wales, for the 12 months to 30 June 2016, domestic abuse-related crime made up just over 11 percent of all recorded crime and represented 33 percent of all recorded crimes that involved assault with injury.

Mothers' Union actively supports this campaign, alongside many other organisations including the UN. We run events around the country to raise awareness of this issue, and there will be a vigil outside Winchester Cathedral on Sunday 25th November between 12.00noon and 2.00pm. I hope there will also be more local events, so do look out for these.

We will be meeting on Tuesday November 20th at 7.30pm in the RAF Chaplaincy Centre, and non-members are welcome to come and join us. If you want to find out more about us, please contact our Branch Leader, Sue Murphy on 01252 845011.

It has been another fantastic year for The Dummer Fair, raising an outstanding £32,000 so far in aid of Treloar’s. Around 1,000 shoppers attended across the two days in October and bought from a wide selection of artisan and independent businesses, ranging from crafts to food, clothing and gifts.

All the profits are donated to the Treloar Trust which runs a School and College for severely disabled young people in Holybourne. The committee is incredibly proud that The Dummer Fair is one of Treloar’s flagship events and makes such a substantial difference to the needs of the young people who live and learn at this remarkable establishment.
